

Illinois Association  
for Gifted Children

# 22<sup>nd</sup> Annual Convention

## Marriott Chicago Naperville

### February 2-4, 2017

## Administrators Academy

This course is designed to familiarize instructional leaders with some of the administrative issues related to gifted education. Course content includes:

- Identifying gifted students
- Assessing gifted programs
- Tracking student progress annually
- Determining how the RtI process relates to educating gifted students
- Planning for improved quality of gifted programming in a school/district

### Academy Focus

- Identifying Gifted Students (including underserved populations)
- Assessing Gifted Students' Progress
- Delivering Instruction
- Achieving Program Quality
- Planning for Excellence

As a result of participation in this Academy, participants will develop an instructor-approved project of their choice, which addresses all components of the National Gifted Standards. Focus of the final project is on identification and professional development, recommendations for the development/evaluation of an existing program, or development of a program for the gifted and underserved population in the district/school. Project will be due 4 weeks after February 3rd.
