

## “Is this Heaven?”

No, it's **Advanced Placement Summer Institute (APSI) 2024 Online** at the University of Iowa!

The Belin-Blank Center's APSI prepare participants (middle and high school teachers, administrators, gifted coordinators) to develop and teach an AP<sup>®</sup> course, introduce one into their school, OR simply increase instructional rigor by improving skills in teaching advanced content.

**On-Line Session: July 22-25, 2024** (Seven Courses)

Computer Science A - Computer Science & Principles - English Language & Composition - Pre-Calculus - Psychology  
Spanish Language & Culture - US History
